

Claim Your Capital Credits Check

CAPITAL CREDITS CHECKS were mailed for eligible accounts in early 2022.

Below is a list of intended recipients whose checks were returned to us by the post office for invalid addresses. If you know or have contact with any of these people or organizations, please contact any BCEC office or advise those listed to do so.

If you end your membership with BCEC in the future, please remember to advise the co-op of your updated mailing address so that your capital credits checks will be delivered. We appreciate your help. ■
